

Flighted Divisions

Divisions will be flighted when there are at least 12 teams in a division. Teams will be placed in separate brackets based on pool play finish. Teams will be ranked against teams in other pools based on their finish. Top ranked teams will be placed in 1 bracket while the other teams are placed in another bracket(s).

Divisions will be flighted up to 4 times. When flighted 4 times, top finishing teams will go into 1 bracket while the other teams placed in succeeding brackets based on their rankings. The purpose of flighting teams is to place the teams in a more competitive balanced bracket.
