

KANSAS CITY METRO 2017

****VIP Series, "C" Metros, "C" Nationals and Fall Classic Tournaments****

VIP - Very Important Players

What is it?

The VIP Series, "C" Heartland World Series and Fall Classic tournaments are a series of tournaments designed for "participation" or "recreation" teams. A participation/recreation team is defined as any team who participates in a league whose activities is limited to their league. These teams normally do not participate in tournaments outside of their league association.

Goals:

Our goal is to provide a softball tournament series for the non-competitive teams to participate against other non-competitive teams. Participation/recreational teams now have a tournament to compete in without having to compete against "A" or "B" tournament teams. While nurturing an environment of fun, it also gives an overall tournament experience to the players. Our priority is to provide a fun and lasting experience for the recreational softball player.

When & Where:

Tournament Entry deadline is Sunday evening prior to the tournament start. HWS is 7/19/2017.
